

Devotional

Greetings devoted prayer partners.

I pray that everyone enjoyed a God filled Christmas no matter where you were or what you were doing.

This is the first PrayerForce compiled since Jane Bayliss 'retired' after 11 wonderful years as our national prayer co-ordinator. Jane's legacy will be the instilled heart of prayer that is now a part of our Mission's culture. Eleven years is an incredible record of service and we could never underestimate the impact Jane's ministry has had on the work of MMM.

Our challenge (*I say 'Our' challenge because collectively everyone needs to take ownership of this*) is to believe God for a new prayer co-ordinator to continue the great work Jane has done.

Somewhere out there is the next prayer co-ordinator, just waiting for God to speak into their heart. God speaks in many and varied ways, and you might be the catalyst for them to hear God's calling. All you need to do is encourage them to explore what God is saying in their own heart. If you know someone that might be great in this pivotal position encourage them to contact me, to explore what God is saying.

Until a new national prayer co-ordinator is in place I will be fulfilling the duties, if you have any prayer needs contact me through the national office and we will ensure that our wonderful prayer network is updated and can pray as necessary.

Can I encourage you to pray for this crucial role, pray for someone to take up the challenge of this exciting and pivotal ministry for MMM. If you have any questions or would like to chat about it, please contact me. You never know what God will do!

Much Blessings
Terrence Baxter.
