

SA Team News

Wirraway—Strathalbyn

After four very busy weeks, it was time to down tools for the new bunkhouse for Wirraway Homestead Youth Centre was completed. At the end of those four weeks most of the Team had gone home and we once again say how much we appreciated their time and effort in bringing this project to completion.

Week four saw the fitting out and painting completed what a task that was. It was great to have Terry Owers come for that very busy week to help with the tiling of the bathrooms and also to help with everyone's favourite task PAINTING! Thank you, Terry.

We also want to say how much we appreciated Brian & Carol Chapple for 'going the extra mile' and staying on a few more days to help with finishing touches and some general maintenance. Well done to them both.

The week before camps were due to start again was also a very busy week, with all the finishing touches that needed doing, for example, the carpet was laid, the new bunk beds erected, mirrors hung along with all the fiddly bits such as toilet roll holders, soap holders, shower curtains installed, just to name a few. Not forgetting all the cleaning of windows and the hanging of curtains, etc that was done before the kids arrived to take up occupation of the new bunkhouse. Thanks to all the Wirraway volunteers who came and helped with the final touches, a job well done.

Charles spent an extra week doing some maintenance work around the place, replaced a window in the kitchen area, fitted new sliding door in kitchen, repairs to double doors in dining room, repairs to end of one of the older bunkhouses', and last but not least, *painting* to all the repaired areas.

Our grateful appreciation to the staff of Wirraway for all their kindnesses shown to the MMM Team, we all thoroughly enjoyed our time with you and have felt it a real privilege to have shared a part of your role in impacting so many young people with the Gospel.

Charles & Robyn Stokes

OPENING OF MMM AUSTRALIA New Interim Office, Epping Victoria

The photo above is the new temporary MMM Head Office at Epping, Melbourne. About 80 people gathered on Saturday the 19th September to look at the facility and hear Tim Cranna and Andy Boer speak about the exciting future MMM has as we move on and continue to reajust after the fires of 7th February. The other photos were taken at the Epping offices.

Prayer Fellowships—October

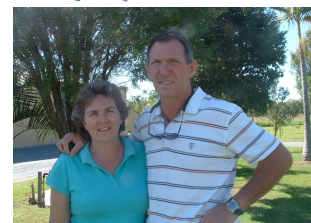

Our next prayer meeting will be on Monday 6th October at 7.30pm at Hallett Cove. Contact Brenton 0433 351 997

Prayer Families 2009

Please uphold in prayer

- Peter and Lillian Taylor— NSW State Managers
- John and Anne Cooper—QLD State Managers

OFFSHORE PROJECTS:-

Mt Hagen, PNG. We have had a great response from people wishing to join the team in June and July in 2010 for work at the Christian Leaders Training College. We still need more

people, particularly skilled building people but also general handy men and women who are willing to put their hand to a bit of hard work.

Ask in your church, get a group to go with you. Accommodation will be in the College Guest house and food will be provided for a small charge.

We have been asked to supply a small team for the **Solomon Islands** later this year and a larger team to build a three classroom school building early in 2010.

Could you be part of this team in 2010?

We need carpenters and handy-men keen to experience offshore mission work and to assist the church in the Solomon Islands spread the word of God through the schools.

A group from your Church would be just the thing!

So now is the time to **“Get Involved”**

Johnno Tallon– from Nowra, NSW. Joining the MMM team on the MV Doulos in October in Singa-

Doulos Team

Colin Diplock an MMMer from Newcastle also going to join the work team on the Doulos in October this year.

Mexico - MMM Australia and MMM NZ are working with **Hard Hats 4 Christ** from the USA to send a team to assist a New Zealand couple Bob and Shona Barnard to complete renovations to an outreach centre they started but could not complete due to lack of funds. They are in the city of Cuernavaca, and need builders or handymen familiar with carpentry, rendering, flooring & installing windows. February is the month we hope to be able to help them, HH4C will help our people with personnel too.

Can you and a friend help in any way?

For information on any of these projects please contact Peter Taylor at projects@mmm.org.au or on (02) 4357 2921
