## TRANSFORMATION AT EDGE ANGLICAN...CLAREMONT

The team of four couples and some local MMM associates arrived here on Monday 8<sup>th</sup> March to help the church with stage 2 of their renovations, to enlarge the seating capacity of the building. By the end of the first day, internal brick walls had been torn down and in the adjoining hall, new walls were already standing. The team was joined daily by several members of the congregation. Church members supplied lovely refreshments and meals every day and we enjoyed a barbecue and evening with a couple from the church. At the time of writing, three rooms have been built to accommodate counselling rooms and office space, a new entry and foyer is almost complete and some external painting well underway. Jack & Adriana Vanderwal, ably led the team which consisted of...Peter and Lyn Groves, Perc and Heather Ashdown, Wes and Judy Carpenter, Fraser Herbert and Davis Baldwin. We have been blessed with beautiful weather every day which has made the project even more enjoyable.

## **Our Annual MMM Retreat at Camp Clayton**

was enjoyed by all with good food, good fellowship and certainly a good place.

We were blessed having Peter Shurley bring us God's word sharing on the life of Elijah " Spiritual Courage in a Changing World"

His message in song and violin playing were a real blessing and challenge to us all. Thanks to Tim and Briana for sharing with us on Sunday and Matt Kenzie shared about his recent trip to Zambia.

## *Oast House at Live Free Tassie [Teen Challenge]*

The picture above is of "Oast House" at Live Free Tassie [Teen Challenge] which was destroyed by fire and contained asbestos so the site has to be cleaned up before we can return to assist them in their building program.

Our teams were booked to work at Oast House during March. We will keep you informed when the project has been rescheduled.

## ***Fusion – Poatina Report by Lyn Groves***

Once again we have had a very busy time, with a team of twelve. A variety of work has been completed, which includes the painting out of two bathroom units, preparation and painting of shop awnings and facias, plus repairs to a brick wall and a sandstone facing. Gutters have been replaced and a kitchen ceiling repaired among other things. The weather has continued to be very warm apart from one cold and blustery night. Our hosts have welcomed us warmly and catered with great flair.

It is with sorrow that we say farewell to the Peddersen family as they depart for home in Queensland due to Chris's ill health. Your prayers for his ongoing journey would be greatly valued.
