The last project of the year for the Vic team was carried out in sunny Creswick which is just over an hours drive northwest of Melbourne. The team (*Ken and Robyn Gellert, Steve and Eileen Trewin, Jimmy McDade, John and Kath Goodall, Ian Story, Cedric Wyndham and Erin Shaw*) enjoyed the fellowship of the camp's staff and families whilst refurbishing an existing horse stable. The barn was originally constructed by another MMM team in the early nineties with timber cut and milled from tress on a neighbouring site.

After everything was gutted, a new staircase constructed to access the loft, the loft lined, new windows fitted and the exterior walls insulated and recladded. A nearby shed also had a make over with a new concrete floor laid, front wall constructed, new window and door fitted.

The team all enjoyed their stay and were well looked after by our enthusiastic and dedicated hosts.

Overseas Projects 2010

Christian Leaders Training College - Mt Hagen, PNG. Dates: June and July 2010.

We have been asked to go to CLTC at Mt Hagen to build four accommodation cottages to house students enrolling at the college. Last year, they had 160 applications for enrolment but had only accommodation space for 32. Obviously, the need is great. We have already started getting volunteers to participate on this team and we need carpenters, electricians and all the usual tradesmen, plus handy men and women who are happy to turn their hand to the sort of work you would expect to need to do on a building site. It is anticipated the project leaders will be in PNG for approximately eight weeks and volunteers can go for as long as time permits.

Expression of interest for Australia Wide Safari's in 2010 & Mobile Couples Planning to travel Interstate in 2010

If the idea of participating on such an experience appeals to you, please make contact with MMM Projects Department projects@mmm.org.au or phone Peter Taylor on 02 4357 2921 to register your interest.

Solomon Islands Peochakuri

Last November an MMM team joined up in Brisbane and headed over to the 'Weathercoast' of Guanacanal in the Solomon Islands. After spending a day in Honiara purchasing provisions the team headed off just before dawn in a small boat. 7 hours later in choppy seas the team arrived at the village of Peochakuri which is a short distance from the school site. They were given a warm and colourful welcome by all the local people. The new school building (3 class rooms, library and office) expands the existing school (which was built by previous MMM teams) and will be used by the secondary students. With limited equipment and plenty of manpower the school was completed to lockup stage over four weeks. Although the site was very remote with virtually no contact with the outside world, the team were able to enjoy the enthusiastic hospitality and fellowship of the local villagers. Annemarie and Adrianna were also able to share a message at the combined village women's conference and Erin and Jack preached at the local churches during their stay.

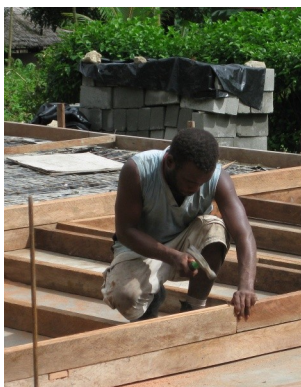

Farewell Song for the MMM team from the Chairman and family

Separation will come, we'll sing you a song. It's a song of farewell.
It's a song from our hearts. Though we come to the end, with the life here on earth,
but in heaven we will meet again.

We will meet bye and bye by the rivers of love on the beautiful shore
Just beyond the blue sky, though we leave you here may our prayers
be with you till in heaven we'll meet again.

No more song of farewell will be sung on the shore,
No more tears of goodbye will be seen in our eyes.
But rejoicing song of Jesus we'll sing with the loved ones till in heaven
we will meet over there.
