“Victoria Heads Into The Future”

On a foundation laid down years ago.

**Same place, Same goals,
Different time, Different strategy**

The last couple of months have provided the Vic Team Committee with the time to reassess the ministry of MMM in Victoria.

We have asked, “God, where can you use us most?” and through His Spirit together with the National office we have begun to rebuild.

Strategic planning is now taking place to take MMM’s ministry in Victoria into the future. The old excitement of serving God through MMM has returned.

It is also exciting to see a number of new people making enquiries about joining MMM to “Serve Those Who Serve”.

New project applications have been received and are currently being considered for the months ahead.

In July we are hosting the first morning tea for the Vic Associates for 2010. This will be a time of fellowship and sharing about what the Lord is doing with and through MMM here in Vic. The date and place will be in the next Vic news.

Keep watching for this one -

As mentioned in the last Vic news, we have the return of the annual dinner. It will be held in

October, the date and place will be finalised in the next couple of months.

Thank you for your prayer and support, it is essential in continuing this vital ministry

Please continue in prayer, for wisdom and the Lord’s leading as we finalize the strategic plan and implementation.

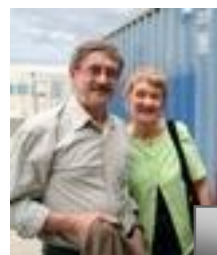

Consider touching a life for Christ. Join us on a project. Call Peter Taylor on (02) 4357 2921 or email project@mmm.org.au

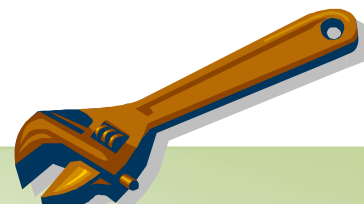

We are in need of team leaders, tradies or good building knowledge an advantage.

May God richly bless you,

Rob Saunders.

Overseas Projects for 2010

We are now seeking expression of interest for call Peter Taylor 0409959181 or projects@mmm.org.au

South Africa The Kings School- Glen Eden March to May.

This Christian School caters for Children from pre-school age with a background of extreme poverty. Food and accommodation will be available, costs to and from South Africa would be about \$ 2500.00

Mexico- March to May Assistance is needed for 3 or 4 weeks to construct a three room church based community centre. Try to form a team from your church tradies. Cost approx. \$ 2000.00

BUILD A HOSPITAL - Mougulu in July & August for Pioneers

Tom and Salome Hoey have requested MMM's help to construct this building, we have a team leader and some volunteers but need some extra tradesmen or good handy men to go for four or five weeks. A couple of ladies to assist with catering for the team would be very helpful also. We can only take a team of about 10. Cost approx \$1500.00.

Warren & Jessie Glover – home renovations, Ringwood

Once again MMM Vic has come up trumps with the great job done on painting the house for Warren & Jessie Glover; two very happy customers indeed! It was a privilege to partner with Warren & Jessie; a couple who have served (and continue to serve) with Wycliffe in places such as Nepal; Pakistan and Northern India. With grateful thanks to all who helped out on this job. Well done!
