Ballarat Christian College

The MMM team once again spent a week helping the Ballarat Christian College with their improvement and maintenance program.

The enthusiastic team which was lead by Ken & Robyn Gellert painted the outside of portable class rooms, offices and verandahs in between the frequent showers. On one occasion they were not so lucky. Just as they completed the external painting of one unit, the rains came and washed all their good work away but not their spirits. The weather the team endured was quite the opposite to the 45 deg days they experienced the last time they were there. Under a shade sail area the team laid pavers with the centre piece being a large chess board which we are sure the students will enjoy playing on.

The Team - Ken & Robyn Gellert, Ian & Marion Wilson, Max Kent, Keith Sanders, Cedric Wyndham, Ian Story, Jim McDade and Meralin Lyons

We also would like to thank the team from Beaufort who worked along side the MMM team for their hospitality and fellowship.
