Hi Everyone,

We pray that this month, God has continued to challenge and grow each one of you, as we know the Lord is good and has a truly amazing life for us to live - if we only step out and put our trust in Him. We have been encouraged by *Jeremiah 29:11* *For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not evil, to give you a future and a hope.* God knows the future, and His plans for us are good and full of hope. As long as God, who knows the future, provides our agenda and goes with us as we fulfil His mission, we can have boundless hope. What a great promise.

WA Happenings

The Amazing Grace Ship - All hands on deck. This month a party of volunteers gave up their Saturday to scrub, sand and paint the Amazing Grace ship. The good news is that the vessel is now in the water and preparations will soon be made for it to set sail for the shores of the Philippines to take medical supplies and the good news to the people who live on the many remote islands that make up the Philippines.

YWAM Perth - Last month a call was put out for those with any construction skills to help with the fit out of two warehouses that YWAM were going to move into by the end of November. The need is still urgent as YWAM had to vacate their Central Headquarters last weekend... A big thanks to Peter Ross who was able to supply his 8 Ton Tautliner and with many helpers able to transfer all furniture and items to a storage shed near by. The Warehouses require fit out work and doors to be hung. If you are available call David Noblet (YWAM) 0403 315 666, work times are flexible.

Camp Wattle Grove - this weekend 3-4 Dec a small group of volunteers will converge on the camping grounds of Camp Wattle Grove with a mission to complete the tiling of an outdoor BBQ / Entertainment Area. Heading up the party will be Hendrik Alberts our MMMWA State Committee Chairman. Hendrik and his wife Irene recently took up the challenge to become our "Weekend Warriors" coordinators. So expect a lot more weekends to become filled with opportunities to experience the MMM fellowship, a sense of building for the kingdom and the joy of serving those who serve. We will keep you posted of forthcoming Warrior Weekends as they are planned.

Jim Dawson and WEC Ministries - After receiving a call from Jim it was soon established that he needed some assistance to complete the external and internal cladding of a flat / office, with its own cellar that he had started to construct. The MMM Team of Graham, Rob, Sam and Ab soon had it under control and in two weeks had finished and Jim was very pleased to see how far the project had come. The unit will provide much need additional space for the Dawson family.

Upcoming Projects Feel free to contact the WA Centre at any time, so we can provide updated information on how you can be involved in the work of MMM Australia here in WA. If you can assist, or you know of someone who may like to assist on a project we would love to hear from you.

The MMMAustralia Website <http://www.mmm.org.au/projects/> also has listings of a number of projects both Interstate and Overseas that you can become involved in.

**If you have a
passion for God's
work & want to
use your trade skills
to build the kingdom**

MMM has launched a commercial division, MMM Build, to meet the needs of missions, churches and not-for-profit agencies. MMM will do an increasing number of medium and large projects and will require registered Subcontractors .

If you would like to be a part of this work,
Register your interest with MMMBuild .

Garden Parties

Are you interested in gardening and do you have some hours to spare. For those who have visited the MMM centre you will know that the garden area is very large. MMMWA would like to offer any individual or group of individuals who would like to have a garden party at the centre to give us a call. The Centre has many gardening tools that we can help supply. So if you have a green thumb and would like to give a couple of hours or a day here and there, let us know. Ministry comes in all shapes and sizes.

Opportunities to share the calling of MMM

As a person who receives this newsletter, we know that you are also interested in seeing the ministry and work of MMMAustralia grow here in WA. One way in which we can do this, is by visiting churches, prayer and fellowship groups, youth groups or cell groups with an opportunity to share about the work, projects and vision of MMMAustralia. Over the years we have been able to make numerous visits and have always enjoyed meeting others who belong to God's family. May we encourage you to ask the groups and organizations that you belong to, whether they may like to hear the message of how MMM "Serves those that Serve"

Prayer Groups

MMMAustralia WA is looking for the opportunity to develop another Prayer Meeting Group. If you are part of a group that meets for prayer or would like to begin a group that would commit to praying for the ministry of MMMAustralia both here in the West but also for National and International ministries we would like to hear from you. Information is available for you on a regular basis to keep you informed and also MMM's available to come along and support the meetings. Existing Prayer Groups meet at the MMM Centre on the 3rd Friday of every month and North of the River on 3rd Monday.

Become a "Prayer Warrior" for MMMAustralia, a valuable and very important part of our ministry. A Blessing to all those who continue to uphold us in your daily prayer life.

Christmas Activity

With December now here, we go into a season when many organizations close or take extended breaks. For MMMWA it means that we will travel to Victoria for the MMM National Conference (5-10Dec), a time of fellowship with other MMM workers from other States, reflection of the year's achievements and direction for the future. MMMWA does not schedule any projects until early Feb and also all Ladies Ministry Craft Days and Prayer Groups have a break until the new year.
