Hi Everyone,

Well what a night, **the annual MMM Celebration Dinner**. Sixty guests; some Associates, some Volunteers, some representing supporting churches, some from organisations MMM has assisted and others who were MMM friends. We all had a common thread that bound us together - sharing in the ministry of MMMAustralia here in WA and playing our part in extending God's Kingdom. A night to give thanks and to be encouraged in our "Service to those who Serve".

As we looked back over the past year we were reminded of some of the projects that MMMWA had completed and the impact on lives. The **Grace Ship** will be used to take the word and medical supplies to the islands of the Philippines, **Camp Wattle Grove** had additional upgraded accommodation that could be used for Christian Camps and Conferences, **Bethany Missionary Holmes** had a patio area that would give Missionaries on furlough a place to relax and recharge during their stay before returning to their ministries, **Thornlie Christian College** had more resources to allow them to provide a Christ Centred education program, **Cunderdin Uniting Church** will continue to minister and witness to the local community the love of Christ, **Norma Todd** will be able to offer accommodation to young people from the indigenous community seeking to change their lives and follow Christ, **Open Hand Ministries** now have consulting rooms enabling them to minister to those who have suffered abuse and family breakdowns and at the **AOG Halls Creek** young indigenous Christians are receiving bible training to enable them to return to their communities and preach the word.

Brett Butler from York Church of Christ was our guest speaker and his message on the Four Wills of God was well received, as he drew on his own personal testimony and his experience of being on the receiving end of a MMM work party. Jennifer his wife then shared an item in song. Many may know Brett and Jennifer from articles in previous WA Newsletters, they are a great couple who have and are being used by God in a wonderful and fruitful way.

The evening was a success because of the efforts and support of all those involved in the ministry of MMMAustralia here in WA. Whether that be on the State Committee, as an Associate, Project Volunteer, Women's Ministry Team, Helper, Prayer Partner, Financial Supporter or a Church Partner. *"Together We Serve"*

Urgent call for Assistance.... YWAM Perth

As this Newsletter goes to print MMMWA has received been contacted by David Noblet from YWAM Perth. David has informed us that they are required to move out of their existing premises by the end of November into two newly renovated warehouses. However due to construction delays they have fallen behind and there is much work to be done if the move is to be successful. YWAM is an organisation with access to many enthusiastic and committed young people, however they lack people with knowledge and skills in the construction trades. At present the two Warehouse have the steel work for mezzanine floors and stairs plus framing for about 1/2 of the internal rooms. Some Plasterboard has been fixed. The need is for skilled people to come and work alongside the YWAM volunteers and give guidance and assistance in the "finishing and fit out". The timetable is the next 4 weeks till the end of November and David would be appreciative of 1 day, 1 week or 1 month. If you can help call David on 0403 315 666 or Trevor on 0409 778 799 (after 12/11)
