## **Hocking Family update**

I thought I would take this opportunity to update you on where we are at with our preparations for our move overseas and what is happening here in WA.

As you know Anthony has been working in Tasmania over the past few weeks and I have been in WA preparing for our daughter's wedding and also putting things into place for our upcoming move. We now have two children living in Tasmania, Scott who is working as a plumber, and Jorja in child care. Then we have two here in WA, Erin nursing, and Lauren doing a Hospitality course at TAFE. They will remain in Australia as they are all very settled in their jobs and study. As I look at this photo I am amazed at how quickly seven years have passed by and we can look back at the things we have done here and know that God's hand has been on us. We are so thankful for the prayers and support we have had from our MMM family and look forward to the next chapter in our journey.

At this stage we will be leaving for Thailand at the beginning of August. The committee will continue to run things here in WA. Please continue to pray for the ministry of MMM as we continue to Serve those who serve and look to our Heavenly Father for the right people to take on the role here in WA.

## **MMM WA Update**

During the month of May we had a stall at Maddington Shopping Centre and raised just over \$200. What a blessing! Thank you to Herb and Joan Stutley who helped out on the day and also those who have contributed goods for the stall. People are always interested in hearing what we are about and it gives a good opportunity to share in the work of MMM.

We will be attending conference mid June which will give us an opportunity to catch up with staff and hear what is happening within the mission and also in the future of MMM.

We have had three new applications over this past week and we would appreciate your prayers for the right people to come forward to help out on a number of these projects. If you know of anyone that might be willing to help out please do not hesitate to call the office.
