Looking Back, Looking Forward

Recently I sent out a communiqué regarding having been in the CEO's chair here for three years, and like all incoming executives in the first few months the first order of business is to look back over the recent years to assess where the organisation is and how we got to where we were at.

There are always the day to day things that need decisions or attention, but the ability to look back and assess our history (good and bad) is imperative for being able to look forward and see where we are going. However the time to develop a vision for the future is time needed in both prayer (lots of that) and uncluttered thought.

When I first started at MMM three years ago, a good friend who had also just taken on a national leadership role gave me some advice; to take two hours each week to just think, no screens, no phones, no people, just think. This is a practice that I continue and derive much benefit from, I go for a walk (weather permitting) and just clear the mind of other things and think, dream, and imagine what we could do and how we should do it. But one thing I've discovered along the way is this; Vision is the ability to see things others can't, and leadership is all about enabling people to discover the vision.

We have some exciting things planned for the future, some will start to happen very soon whilst others need to envisioned a little longer before they can become reality, in the meantime I'll continue to find two

hours each week to think! What I ask our MMM community to do is to pray. Pray for the Board, Pray for the CEO, Pray for the Region Managers and state teams. Pray for our finances, pray for our volunteers, pray for our future!

Much Blessings

Nyngan Baptist Fellowship, July 18th - 29th

Nyngan is located 170km west of Dubbo on the Bogan River and has an abundance of productive agricultural land for sheep and cattle production and large scale cropping enterprises, with most of the essential services one would require.

Nyngan Baptist Fellowship are a small church and Richard Milligan is both pastor and chaplain to the primary and secondary schools. Their main outreach is to youth, and their dream was to renovate and convert the local Scout Hall to run their youth

The church commissioned an electrician to remove and reinstall the lights, plus new GPOs (all time and materials donated) and an aircon man to install two split system air conditioners (1 donated by the manufacturer) both of these contractors had to come out from Dubbo. There were so many blessings on this project, donated air conditioners, stove, and BBQ as well as volunteer licenced tradies all to complement the MMM team.

The small congregation farewelled us on the final night with a Chinese meal and informed us that the new youth group will be starting next Friday night! You could sense the overwhelming

feeling of excitement in the air with thanks to the Lord and the MMM Team.

The team included Bruce & Pam Collard, Neil & Chris Thompson, Neil Parker & Phill & Gwen Hall (Team Leaders).

Out of the Fires, a New Desire is Born

September 2014, Pastor Bob Chapman and team visited the town of Yarloop and prayed in the central park. Following those prayers they walked the town each

week, introducing themselves to the locals. As the weeks passed several others joined them to pray and serve the community, ministering to them on the

streets, in the shops and their homes.

Eventually the community of Yarloop requested Pastor Bob and Team to begin a church and so the Yarloop Christian Fellowship was born. In January 2016 a fire devastated the town and de-

stroyed 161 homes. Every resident was dramatically affected. Just two weeks prior, the Fellowship had letter boxed every property with a Gideon's New Testament. After the fire some folks shared how they had

saved those New Testaments and were grateful for the gift. Since the fire the Yarloop Christian Fellowship has continued to minister to the few folks still living in the town or by walking the streets of Harvey to catch Yarloop locals shopping. Additionally they publish a weekly Jesus centred outreach article in the local paper, which is widely read and resulted in many interesting conversations.

Fires destroy the township of

A call was made to MMMWA for assistance in restoring an old Anglican Church Hall in Yarloop, which had sat idle for ten years. Out with the paint brushes and let's get rid of those bees. The building will not only be the permanent home of the Yarloop Christian Fellowship but will also be a meeting place for counselling and encouragement. Pastor Bob Chapman and the Fellowship are very grateful for the

provisions and support they have received over the years from so many including the Band of Brothers Motorcycle Club, Bunbury Anglican Diocese and recently MMM Australia. Out of a small flicker, God has continued to honour His word and been a guiding light to those who are faithful. We look forward to the news of more lives being touched and changed in the community of Yarloop. "We're here to rebuild with you" (YCF)

Prayer and PraisePray for Mike and Melody Nicholls (MMMNZ) as they make their way back east and then home to New Zealand. They were a real blessing throughout their

WA travels and will be missed by many.

Pray for additional persons to be prompted to become involved in the ministry of MMMWA, by joining either the WA Regional Committee, Prayer Group or part of a work team.

Pray for the health of MMM Volunteers, as many are now in their senior years and the bodies are feeling the strains of heavy manual work.

Give thanks for the projects completed at Yarloop Christian Fellowship, South Perth Baptist Church and WEC International and that each of these ministries will be blessed in their works in the communities that they serve. **Give thanks** for the donations received, that allow the ministry of MMM to continue to serve those who serve.

Project Updates - Benwerren & ACMA

Over the past 12 months we have experienced a significant increase in project requests in the VIC/SA region with over 25 project requests received from churches, and mission organisations, and the team have done a great job on the project sites they could get to. We still have a large number of projects to look at, and the requests continue to come through at steady rate.

We need more project teams, more volunteers, and more team leaders. David Graham and Kim Roediger are doing a great job reviewing, and planning projects for the region but we just need people on the ground helping out, people willing to server those who serve.

Two projects currently on the go are "Benwerren" and ACMA.

Benwerren is a refuge for women and children where we have assisted on several occasions. A team lead by Ian Knowles is working to convert an old

> farm shed into a much more workable storage room with a decent floor.

expensive aircraft). With limited resources this project was co-ordinated by our CEO Terry Baxter with the project all happening on a Saturday when the normal work in the hanger is not hap-

pening.

Blue Lagoon

On the 22nd of August we started the project at Blue Lagoon Campsite – Dodges Ferry (Southern Tasmania). The task was to build stud walls and a roof on the new slab off the side of the recently constructed gymnasium. This building we built contains an entrance to the hall, craft room with a kitchenette, female and male toilets with showers, and a storage room.

In the first week the stud walls went up and the roof went on. The second week involved installing the sound-proof insulation and ply board sheeting in the gym/hall area. We also plastered the smaller rooms, entrance way, and storage area. For the third week, we sanded joins in plaster architraves, painted, and fit out the rooms.

Blue Lagoon is a fantastic place where Peter and Kathy Jack serve with lots of energy as groups come in to use the great facilities. This new addition will be well used by many school and community groups! The gym/hall has a rock climbing wall at one

end and the ability to host many sports – like basketball, netball, bad-

minton etc. And the additional craft room will be used to do many creative projects. It is great to partner and support this organization.

Thanks to the many who gave their time and effort. A BIG thank you to our team: Darrel House, John de Jonge, Nigel Anderson, Joe Harder, Graham & Gloria Scott, Lance & Maree Reeves, and Joshua Richards.

Yes, if you need a place to take a youth, women's, men's, or family group away for an inspirational time, please consider Blue Lagoon Campsite ph. (03) 6265 8192!

Zion's Hill Prayer House Launch Dinner was held on the 12th of August at 6pm. Invitations went out to all the pastors and leaders in Launceston, northern, north-western and southern Tasmania, and any interested partners. It was a night of vision, celebration, and a time to get together and catch up with many friends at Zions Hill church in Ravenswood. Great food from the church and caterers The Gold Roast was enjoyed by all.

The night was held to tell us about the vision of Zion's Hill, with the first speaker, architect Les Penzes, explaining the rooms and highlights of planning. The next speaker was Carol Bryden, representing "Your Town", who will support the build by partnering with workers who are unemployed in order to integrate them back into the workforce. Then Rod spoke about MMM and how we support Christian organizations. He was great, informative, encouraging and relaxed as he explained our organization.

Merrilyn Billing took the next section on her vision and the journey.

It was a special night with a great church.

Humpty Doo

In early June, work began at the Living Waters Community Centre and Op. Shop. This was a new building associated with the Humpty Doo Uniting Church. The building was in the last stages of completion by a private contractor and our task was to build and install the tables and shelving required for the fitout. Fencing around the proposed play ground was also required. Initially there was a team of ten but with four of these joining the Goulburn Island team, work proceeded with a core team of Tom and Gaye Redsell (Leaders), Adrian and Caren Behrens (with Sophia and David), Geoff and Bronwyn Bauer.

Access to the building was denied for several weeks as the building had not been given final certification. Tables and shelving were constructed and stored under the Manse in readiness and the fence completed.

After three and a half weeks, the furniture was moved in and the Bauer's returned home and the Redsell's moved on to another job in Maningrida.

Adrian remained for another three weeks to enable construction of the front counter and lockers for the staff, and some change rooms. He also had to install all that had been made in the previous three weeks. There were a few men from the church who helped out at times and this was greatly appreciated.

Before moving on again, it was a joy to see the shelves being filled and the excitement on everyone's faces as they prepared for opening day. The op shop has a great impact on the surrounding community and will be a blessing to all who enter it.

Gaye Redsell and Caren Behrens.

John and Meg Mackenzie

John and Meg Mackenzie have a long association with MMM and recently I asked them how they became involved. Before they met, both had read "Miles of Ministry and Miracles", and with considerable excitement found, when they were married 33 years ago, they both had a copy and a desire to contribute to the MMM work as some stage. Sixteen years ago they joined a team and have worked each year from a week to three months with teams and have greatly assisted with QLD garage sales for many years.

Benwerren

The following is from Benwerren's website - "Benwerren aims to strengthen families, by supporting women and children in need, ministering to their physical, educational, emotional and spiritual well being. Benwerren aims to share the love of God, the healing power of the Holy Spirit and the salvation of Christ."

www.benwerren.com.au

MMM has had the privilege of helping this amazing ministry on numerous occasions over many years. Team

members love going to this very picturesque location in the Yarra Valley in Victoria. The MMM workers always come back from these projects inspired by the great impact this ministry is having in the lives of the women and children who are blessed to spend time there and hear of the ongoing support given by Benwerren's staff and volunteers.

Praise God for the opportunity for 155 women and 130 children to stay at Benwerren throughout 2015. Praise God for the wonderful donation of land adjoining the original Benwerren property (new land shown in the photo).

Pray for refreshment and God's blessings for Dawn, the Managing Director, who is now on 6 months leave after

23 years in this role. Pray for spiritual and physical refreshment for all staying at Benwerren and for the staff and volunteers.

"We have to pray with our eyes on God, not on the difficulties."

~ Oswald Chambers

Pray for God's blessings on Ian Knowles, MMM team leader, and our volunteers helping in October with painting, carpentry and possibly concreting in a shed. (The existing shed is shown beneath the large tree in the photo.)

Give thanks for the appointment of Graeme Janes as the new CEO for CVA. Pray for God's wisdom and peace for Graeme in this leadership role in Australia. Pray also for the many CVA campsites where MMM teams work throughout the year.
