## Who Do You Trust?

I wanted to start off this year asking you the question, who do you trust? With all the uncertainty we've faced the last 2 years and the continuation of the pandemic this year, it can be easy to look to our government, or the doctors, or our leaders to rescue us and make things right. When fear surrounds us, we can become so afraid it actually enslaves us and we can unintentionally start looking to man to save and protect us. While it is absolutely important that we use wisdom, that we pray for our leaders to make wise decisions, it is only God who can truly save us, it is only God who can truly sustain us. Who else can deliver us from this fear by delivering us from death itself? Nobody.

I want to share a few scriptures to encourage you as we enter a fresh new year.

In Hebrews 2:14-15 (NIV), it says that *"Since the children have flesh and blood, he too shared in their humanity so that by his death he might break the power of him who holds the power of death—that is, the devil—and free those who all their lives were held in slavery by their fear of death."*

Isaiah 2:22 (NIV) *"Stop trusting in man, who has but a breath in his nostrils. Of what account is he?"*

Isaiah 54:17 (NIV) *"no weapon forged against you will prevail, and you will refute every tongue that accuses you. This is the heritage of the servants of the Lord, and this is their vindication from me," declares the Lord."*

Isaiah 33:22 (NIV) *"For the Lord is our judge, the Lord is our lawgiver, the Lord is our king; it is he who will save us."*

There is ultimately one thing we can never forget and that is there is no final answer to the human condition outside of the Lord Jesus Christ.

God bless,

Robyn Fedrick

## *New Year—Renewed Hope*

As we begin a new year there is a sense of hope that a new year brings. Across the world there is a hope that the impacts of this global pandemic will decrease and our ministry can get back to a sense of normality.

As we begin the year, many needs still exist and are common across all our ministry centres around the world. Please take specific time to pray for each MMM Centre that they would experience growth and prosperity in God's purpose and plan.

Our national centres - New Zealand, Hong Kong, Fiji, Thailand, Zambia, and South Africa, each one of these need new volunteers to continue their ministry and grow the impact of MMM in their country. Each nation needs good leaders who can share the load of leadership. Our national centres need good governance from committed Boards. Pray for Godly men and women to serve on each Board.

They need to know God's ongoing provision. MMM acknowledges that all resources we receive come from God who is the ultimate supplier of all our needs. Pray that God will continue to provide the finances, tools, and equipment necessary to fulfil his plan and purpose.

With every nation impacted by COVID-19 we need to pray for God's protection on every worker, that they will know the good health, strength, and well being that is necessary to serve the Lord in their nation.

Pray specifically for the National Leaders in each country to know strength, direction, endurance, and provision. Spend time praying for each leader: Ray Pitman (Fiji), Howard Robinson (New Zealand), Andrew Wong (Hong Kong), Pedro (Thailand), Florence N-Kaniki (Zambia), Neil Eichstadt (South Africa).

Be encouraged by the scripture *"Pray without ceasing"* (1 Thes 5:17).
