How do you Serve?

I am currently reading "Secret Believers" by Brother Andrew and Al Janssen. On pg 14, Brother Andrew challenges a young man Butros about the church reaching out to Muslims and I found his words resonated with me and what we do at MMM Australia as well.

"...when we look at the Great Commission. The purpose of the church cannot be to survive, or even to thrive, but to serve. How do you serve?"

We are not to be inward looking but to keep our eyes on our true purpose.

At MMM Australia we exist to serve those who serve, to strengthen the church and other organisations as God has an important job for them to do. We come alongside them and help them with their practical needs however regularly we are told that our support and our project teams have just as importantly been an encouragement to them as they move forward with their kingdom work.

Often recently we have seen so much more that we as a ministry can be doing but have felt limited by the lack of resources.

Brother Andrew went on to say to Butros:

"When people hear what God is doing through you, they will want to pray and give of their resources. If you obey God, He will provide all that you need to do His work."

We are reminded to share our MMM stories with those around us. We have also been challenged by the words of Hudson Taylor.

"God's work done in God's way will never lack God's supply."

When we serve God as he calls us to; he will make a way for us.

Phil 4: 19 NIV

"And my God will meet all your needs according to the riches of his glory in Christ Jesus."

We so appreciate your prayers and support.

Bless you, **Rachel Littlechild**
