I Will Wait on Him

In the Old Testament the people of Israel were delivered by God out of slavery from Egypt. After the plagues God brought on Egypt, Pharaoh finally released the Israelites, but changed his mind afterward and chased them toward the Red Sea with his army. God did one of His greatest miracles, parting the Red Sea so the Israelites could safely cross and destroying the Egyptian army.

However, it was not long after that the Israelites forgot the great deeds God did for them. The result was God gave them a leanness in their soul.

"They soon forgot His works;
They did not wait for His counsel,
But lusted exceedingly in the wilderness,
And tested God in the desert.
And He gave them their request,
But sent leanness into their soul."
(Psalm 106:13-15).

What does leanness in the soul mean? It means they lost their ability to discern right from wrong. It means losing intimacy with God. It means living a life of sin. It means losing the blessing of God.

A friend recently reminded me of the song chorus (based on Psalm 130):

"I will wait for you, yes wait for you, on your word
I will rely, I will wait for you, surely wait for you, till
my soul is satisfied."

As we walk into 2021, let's be a people who wait on our God and remember what He has done for us. Wait on Him till your soul is satisfied.
