## A New Year

Welcome to 2024 and a new year of praying! We are believing for miracles, for growth in MMM Australia, for provision both financially and practically, for opportunities to serve in a greater way and see God's Kingdom continue to grow. I welcome you to pray with us this year and be part of an incredible team of prayer warriors, together making a difference for eternity, through prayer. What you pray matters and we are so thankful for each of you!

Recently as I was reading my bible, I came across the scripture of Proverbs 11:14 (AMP), which says: *"Where no wise guidance is, the people fall, but in the multitude of counsellors, there is safety."*

There have been so many times in my life, especially when I was young, where I fell because I didn't have wise counsel. I failed at managing my money, because I didn't have anyone to teach me how to manage it wisely. I struggled with my emotional health after going through significant life challenges, as I didn't surround myself with support, because I didn't know how to. I failed in my early career because I didn't know how to get a job and had little confidence. All areas that have been transformed significantly when I sought wise counsel from experts in those areas.

Here at MMM we seek the advice of those who have expert knowledge, skills and wisdom in the different areas that we need to run well as an organisation. For example, we have a Board, where each member brings significant expertise and skills to guide us.

The thing is, we can't do life on our own. If you have an area of your life that has fallen flat or you just can't seem to move forward from, I encourage you to seek out an expert, someone skilled in what you need to give you wise counsel. It can be anything from talking to a pastor to seek spiritual advice, to talking to a personal trainer to seek fitness advice.

God wants us to have wise counsel. Pray and ask Him to send wise counsellors into your life.

Bless you, **Robyn Fedrick**  
National Prayer Coordinator

### MMM International Alliance

This month we focus our prayers on the work of the MMM centres in South Africa, Fiji & Thailand.

### MMM Thailand

Pray for good health for both Pedro and Palita as they navigate the challenges of the year ahead. Pray God's protection over them both. Pray for joy in the work they are doing for God and for God's blessing and favour in their lives.

Pray God makes a way for the team to grow. We need volunteers to help Pedro on the many projects, there is so much need. Pray for committed and hardworking Christians to be able to join the team.

### MMM Fiji

Pray for Roy, Rachael, Josh, Gabrielle and Kelepi as they travel back to Fiji after a wonderful break back in New Zealand. Pray for safe travels and a smooth transition back into Fiji life.

Pray for God's guidance and wisdom as they make plans for the year ahead and for all the teams that will be visiting.

Pray for the children as they enter their 2nd year of schooling in Fiji. Pray for wonderful friendships and for God's blessing and protection on them.

### MMM South Africa

Praise God that Neil & Mariè have really seen God's provision over the past number of years; we give thanks, particularly to their two sending churches and also the individuals who partner with them financially and in prayer. Without them they would not really be able to do what they do.

They have need for a few more prayer and financial partners. Please pray for more people to get involved with them in either of these two ways.
