for he cares about you.”*

God's Word is Powerful

This month I have thinking about how God's word is active and alive, it carries power and authority which we as believers can use. I came across this wonderful devotional by Joyce Meyer from her book *My Time with God* and I wanted to share some of it and some verses with you and I hope they will encourage you as they have me.

"We are instructed in the Bible to meditate on the Word of God, and that simply means to think about it, roll it over and over in our minds, speak it, and know that as we do, it is renewing our minds and teaching us to think as God thinks. Our thoughts are extremely important because they go before our words and all of our actions. God has a good plan for each of us and we will see it come to pass as we renew our minds."

"Don't copy the behaviour and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect." Romans 12:2 (NLT)

"Casting the whole of your care [all your anxieties, all your worries, all your concerns, once and for all] on Him, for He cares for you affectionately and cares about you watchfully" 1 Peter 5:7 (AMPC).

God's Word contains the power we need to live a successful life.

God bless,

MMM International

This month; whilst we continue to pray for all MMM work throughout the world, lets focus on the needs and plans for our MMM centres in South Africa, Thailand and Fiji.

MMM South Africa

Pray for opportunities to assist with projects here in South Africa. Pray that anyone who could benefit would take the time to connect with us.

Pray for the MMM Board and Trustees as they travel to Zambia and KIUMA in Southern Tanzania in the latter part of the year. Pray for the annual meetings being held and also the time being spent to see first hand the work done and look at future possible opportunities.

MMM Thailand

Pray for Pedro to stay healthy and strong to do God's work in Thailand.

Pray for more volunteers to come and join with Pedro so that he can have support and share the work load he carries.

Pray for Palita's Hilltop school to keep growing in numbers of students and its reputation. So that we can be sustainable and give financial support to worthy cause organisations in Thailand. Praise God for the 51 students currently signed up to Hilltop.

MMM Fiji

We thank the Lord that there has been so much interest in people keen to come to Fiji from New Zealand to serve with MMM this year.

Please continue to pray for the many teams we have coming over the next few months and the logistics that come with hosting multiple teams to come together.

Pray that these teams would be able to be productive on the projects, but also have a great time of fellowship, learning and growth together, especially as we have teams coming that will bring together people that have not met before their trip.

Pray that the MMM Fiji leadership will be able to discern the best projects to help with as there is always more need than we have time available.
