Where God Speaks

Ezekiel 3:22

Now the hand of the Lord was on me there, and He said to me, "Get up, go out to the plain, and there I will speak to you."

God speaks to us in many different ways. He spoke through a bush to Moses. He spoke through a donkey to Balaam. He spoke through prophets to His kings. He speaks through other Christians, and He can speak directly to us through the Holy Spirit. If we are listening, He speaks even through circumstances. When God wants to speak a word directly to us without interruption, He will take us "into the plain." The plain is a place of no distractions. It is a place of silence. It can be a place of great need as it often fails to have the normal provisions we are accustomed to. It's the isolation with only God before us that brings us to the place where we can hear God clearly. In modern times, it can mean a separation from our normal activities such as jobs or families. It's the place where we can earnestly seek God in prayer.

The plain can also be a place where we discover afresh that His hand has been on us all the time. When we are so busy with life, we sometimes forget that God's hand is still there, gently leading our path.

When our lives get so busy that we are not listening or responding to His gentle touch, He must take more aggressive measures to get our attention. Thus, the plain is one of those appointed times of one-on-one communication with our heavenly Father. No distractions, no people, no beautiful surroundings to capture our thoughts. It is a barren place designed to allow us to seek and hear clearly. When He speaks, we need to be able to listen. We hear much better in the plain.

Perhaps you need to hear God's voice today? Is your life such that you cannot even hear His voice? God calls us to our own 'plain' in order to speak to us and for us to hear. Pray that you might make time to be alone with Him, to hear His voice.

God bless,
