Luke 1 v 46 (NIV)

"and Mary said: 'My soul glorifies the Lord and my spirit rejoices in God my Saviour.'"

Praising God in the journey

I'm not a particularly good traveller. I like my usual routines and I especially like it when things go smoothly; no hiccups or nasty surprises along the way. To overcome my travel 'irks', I've trained myself to focus on my final destination

Imagine being Mary, the mother of Jesus. Think about the range of emotions Mary must have gone through as she was tasked by God with the enormous responsibility of bringing God's son into the world. She must have felt overwhelmed with confusion, fear, rejection, apprehension, nervousness and (we read) also excitement and joy. I wonder if there were any occasions when she wished God had chosen someone else! She was after all, just an ordinary woman, with an extraordinary faith. God knew what he was doing when he chose her. He knew she wouldn't let Him down. Unlike me, I think she travelled well, trusting God with every little detail. No grumbling or complaining when her expectations were not met and the going was tough.

Despite all the uncertainties of how God would bring things about, Mary had one certainty she could cling to. She had been told, that this son she was about to bear, would be the saviour of the world. Mary did not have it easy in the present, but she had a hope for the future that she could hold onto.

While we go through the same emotions as Mary in our present lives, we still have the same hope for the future to cling to.

One of the names given to Jesus, was Immanuel. God with us. Not just a name to think about at Christmas time, but always. He is with us now, in the form of the Holy Spirit. We are not abandoned or forgotten. God's plan is still in action.

To be with Him is our final destination to look forward to.

God bless
