Psalm 23:1 (NIV)

"The Lord is my shepherd. I lack nothing."

The Lord is My Shepherd

One of my favourite Psalms of all time is Psalm 23. It reminds me that God is with me, protects me, refreshes me, leads me and comforts me. When we are worried or feeling lost, this is a great Psalm to read, to remind us that God is our shepherd. It says:

"The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me.

You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever." Psalm 23 (NIV)

To give a little explanation, a shepherd has to be constantly watching his sheep, he needs to be vigilant and provide constant care and protection to them.

Sheep cannot survive without a shepherd as they are prone to wandering off. They instinctively follow each other. Even if the sheep in front of them had wandered to a cliff and fell off, they would just follow each other off the cliff! They are also helpless in an attack from a predator and are easily picked off. Without a shepherd's constant care, they would quite literally die.

God watches over us with the same vigilance and care of a shepherd. He guides us down the right path and protects us. I encourage you to take time to listen to God and allow Him to guide you. There is no better path we can walk than the one God wants us to walk down.

God Bless
