Keep on keeping on

As we head towards the end of a long and challenging year, I have to admit I have moments where I feel tired. Have you been feeling tired or weary at times? Are you just doing your best to keep on keeping on? All of us have felt the challenges of this year in one way or another. It's been hard not being able to see and hug loved ones, to be limited in our travel, to feel the walls going up around our states and country. What a time we are living through.

Yet in it all, there have been so many opportunities. The opportunity to deepen our faith. The opportunity to step out and serve online. The opportunity to show care to each other in meaningful ways we may not have thought to previously. The opportunity to pray like never before. God is still moving and making a way for us.

Corrie Ten Boom is quoted as saying "The wonderful thing about praying is that you leave a world of not being able to do something, and enter God's realm where everything is possible. Nothing is too great for His almighty power. Nothing is too small for His love" In Isaiah 40:29-31, it says:

"He gives strength to the weary and increases the power of the weak.

Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength.

They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."

Press in with me, into our hope in the Lord. Nothing is too great or small for Him. He will renew us and refresh us.

Well done on keeping on going. Well done in doing your best to lean on God. Well done on expressing your faith as best you can. Keep on keeping on. God loves you tremendously and we have a fresh new year coming up ahead of us.

Bless you,
