## Our Hope is Centred in God

For many of us, this year has been a challenging one. Particularly for Sydney and Melbourne. As they ease out of a long period of lockdown and are able to visit family and friends again, there is a period of transition and adjusting to a new season. Perhaps you have grief over what was lost during the last 2 years and that's ok. While the world around us can be chaotic at times, the best thing we can do is to keep our hope centred in God. We are so blessed to be able to have an eternal perspective. While it can be easy to look at our situation or our leaders, ultimately our confidence is in our God.

I love this verse from 1 John 4:4 that says:

*"You, dear children, are from God and have overcome them, because the one who is in you is greater than the one who is in the world."*

In a time when confidence is lost, we keep our confidence in the word of God. There is nothing more powerful or effective.

In Isaiah 55:10-11, God says:

*"As the rain and the snow come down from heaven, and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it."*

Keep trusting in God's word my friends. It will give you strength and hope in times when you may feel like you have none. You are in my prayers and I am so thankful for each one of you. Your life is precious and valuable and I'm so grateful to have you as part of our amazing team of prayer warriors.

God bless,

**Robyn Fedrick** National Prayer Coordinator
