## MMM AUSTRALIA

MMM is a volunteer organisation whose primary mission is to spread the Gospel of Jesus Christ by building, renovating, and repairing facilities used in Christian outreach and ministry.

Funds are needed to operate an effective missions organisation and comply with legislation and regulations and we need partnerships with individuals and organisations who can stand alongside us in mission to see the Gospel proclaimed.

MMM Livestock Partnerships have been established to raise funds through multi campus stock agistments, where cattle are raised for market and the proceeds go to supporting the work of MMM.

You can partner with us in this great perpetual program by donating stock-feed, a calf, or finances. This partnership is the gift that keeps on giving, one donation today will continue to contribute to the work of MMM for years to come.

## MMM LIVESTOCK PARTNERSHIP

Anyone can donate to provide a calf and MMM arranges their agistment with partner farmers until they are suitable for the livestock market at which time the steers are sold and the funds are returned to purchase another calf. Excess funds are provided to MMM to support the operations of the mission.

You can partner with us by;

- ✓ Donating Livestock
- ✓ Agisting Livestock
- ✓ Donating Stock-feed
- ✓ Cash Donations

Typically \$1,000\* buys a calf and stock feed to rear the steer to market size (*typically returning \$1600\**). \$1000 is returned to purchase another animal into agistment, any residual (*around \$600\**) comes to MMM operations.

It's the gift that keeps on giving!
