Answered Prayer

Prayer underpins everything we do at MMM Australia.

Every Monday morning our National Office staff and volunteers have our weekly prayer time where we talk over what's happening with MMM Australia; what we can be praying for; and what we can be thanking God for

It is a great time of fellowship and the highlight is seeing things move from the prayer list to the praise list when we see our prayers being answered

Matthew 18: 19-20 *"I also tell you this: If two of you agree here on earth concerning anything you ask, my Father in heaven will do it for you. For where two or three gather together as my followers, I am there among them."*

God does not always answer our prayers in the way we expect and we are often surprised by his solutions.

Our National Office in Mitcham, Victoria has been undergoing a transformation; following a burst pipe flooding the office area late last year. What started as a major inconvenience has become a great opportunity to clear out the old clutter and refresh the office environment.

A lot of prayers have been raised as we questioned how we best use our office space into the future and our prayers have been answered. We have new carpet throughout the whole ground floor offices and a revised office layout.

We have been helped by our neighbours who are cabinetmakers to make our desks suit our new office layout.

We are already blessed to lease our upstairs office to Alpha Australia and we now plan to further our ministry hub by leasing office space to another ministry

God has a plan and we are blessed to be a part of it.

Bless you, **Rachel Littlechild**
Office Manager
