Acts 1:14a (NIV)

"They all joined together constantly in prayer,"

Corporate Prayer

Praise God for the amazing time we had praying on our recent National Day of Prayer. We had a fantastic group of people coming together to pray at our online zoom meeting. Many also committed to spend half an hour praying during the day and churches across the nation also gave a couple of minutes during their service to pray for MMM and the work God has called us to do. It truly was a fruitful time of heartfelt prayer and we're looking forward to seeing how God answers all our prayers.

Coming together in prayer is so important. It's important because we agree together and there is power in that. In Matthew 18:19 it says *"Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven."*

In Acts; the disciples set the example to us of coming together in prayer. It's a time not only of praying & seeking God together, but it also deepens our fellowship together & encourages us in our faith.

Acts 1:13-14 *"When they arrived, they went upstairs to the room where they were staying. Those present were Peter, John, James and Andrew; Philip and Thomas, Bartholomew and Matthew; James son of Alphaeus and Simon the Zealot, and Judas son of James. They all joined together constantly in prayer, along with the women and Mary the mother of Jesus, and with his brothers."*

Praying is part of who we are as believers and being able to come together in prayer is powerful, unifying and so encouraging. God is with us when we meet together in His name and there is no better place to be than in His presence. If you haven't yet come to one of our prayer meetings, I'd love to encourage you to come along. You can contact your local Region Manager in your state about their local prayer meeting or you are very welcome to join us online at our monthly prayer meeting, email me at prayer@mmm.org.au for details.
