Hi Everyone,

This month's Newsletter is going to require a response from you. First there is the Annual MMM Celebration Dinner which we would love to see you at. But in order to be there, you will need to plan and book. Also, annually, we try to update our contact records, so we have included a form for you to complete. Please take the time to respond as this is our opportunity to ensure that we have correct names, addresses, spelling and contact details. We all know that life's situations change but we do not want to lose your valuable support and encouragement. It is our Volunteers, Associates and Friends that enable us to carry on the Ministry of Serving those who Serve.

WA Happenings

Cunderdin Christian Fellowship - *"What a wonderful answer to prayer we received through the ministry of MMM. Our building was very much in need of maintenance work to some of the woodwork and a new coat of paint outside. Ab, Bev and Trevor within a few days restored our building and it looks really good. We are indebted to MMM and their volunteers for the encouragement and fellowship they brought to us. We are a very small group who worship together and outreach into our community but a project this big was not possible for us. It was a real blessing to share together with our wider Christian Family. We believe the work of MMM on our building is a testimony to the care of God's people for each other and pray it will speak into our community of Cunderdin of God's love and care. We would like to show our support for your wonderful work as you continue to help and encourage small churches such as ours, may our God continue to bless your Ministry". (Coralie Smart - Cunderdin Christian Fellowship)*

MMM Serving those who Serve Centre

"The evergreen Ab Phoenix kindly put in 2 days of work at Jim and Lyn Dawson's place in Kewdale. The jobs included an in-built wardrobe, hanging 6 doors and putting in the doorknobs, a shower screen fitted and a bathroom cabinet hung on the wall. A younger tradesman would be doing well to keep up with him.

This has been a great help, as Jim and Lyn have been kept busy in WEC mobilising ministry which included:

A Mobilising Conference in Sydney; travelling and speaking engagement at Albany Baptist Church; MIST camp teaching on Culture Awareness; teaching 9 sessions at Worldview College and

finally some R&R in the USA for nieces' wedding. Thank you and Blessings to MMMAustralia" (Jim Dawson WEC Int)

The body of Christ has many parts, and MMMAustralia by Serving those who Serve, allows members of the body to more effectively use their gifts and abilities to carry out the ministry that they have been called to. Together we see God's Kingdom grow and our faith exercised, an example of the functioning body of Christ. (Trevor MMMWA)

Upcoming Projects

MMM Thailand will be hosting a team of 8 volunteers from Perth WA in the coming months. They will arrive on Sept 27th to begin a 2 week project. The project will be at Baan Naam Jai finishing off a building which will be used as a hospice for women suffering from HIV. The project will consist of repairs to an outside roof which leaks very badly in the wet season, maintenance and generally finishing off ready for the official opening early Dec.

MMM Thailand has done a number of projects at Baan Naam Jai (Home of the Open Heart) and feel very blessed to be assisting in the finishing off of a very large project which has taken some 10 years to complete.

Anthony and Siska Hocking will arrive earlier to organize and get materials needed to complete the project and would appreciate your prayer for safety on the job and whilst travelling. MMMWA has made a commitment to support and encourage this arm of MMMAustralia's ministry and the team will include the VanDerKooji family so expect a full story on their return. The last MMM Enews had an article on Baan Naam Jai if you are interested.

If you are a Tradie or are skilled in areas of construction MMMWA would like to hear from you.

MMMWA would like to encourage you to consider giving some of your time to our ministry. We are looking for persons from all areas of construction. If you would like to have a chat about what you could do to for the ministry of MMM call Trevor and together we can explore the possibilities. Just by supplying us with your contact details would allow us to keep you informed of the projects that are planned and the ministries we are helping. There is no obligation only opportunities. We pray regularly that our Heavenly Father will supply us with the resources and people we need for each project, maybe you are that person for the next project.

MMMWA Ladies Ministry Team Craft Day

The next Craft Day is Sat 18th Aug - Painting on Canvas. Why not come and enjoy. Contact Karen at the MMM Centre or Mob 0419 197 695

With the help of an experienced teacher (Cathy VanDerKooij) ladies will be learning how to paint like a professional. Sometimes a little encouragement and direction will bring a hidden talent to the forefront, so why not come and learn the tips and use hints for producing your next Picasso. The day begins at 3pm with plenty of time for fellowship and learning. Afternoon Tea and a Meal are supplied in the cost of \$45. For those who have UFO's (Unfinished Finished Objects), you are welcome to come and enjoy the day also.
